

Hello and welcome to *our August newsletter*

We're so excited to welcome everyone to a brand new school year at Alisa's Piano Studio! This year is already shaping up to be one of our best yet, with exciting changes, new opportunities, and a calendar full of music-making ahead. We're grateful to have each of you in our studio family and can't wait to share this journey together.

Studio Highlights

We're so proud of our students! Everyone came back from summer well-prepared and practiced, and some even finished their books on the very first day back. 🎹🌟 What an amazing start to the school year, we can't wait to see all the progress ahead!

Introducing our new collaboration program:

We're so excited to start our Collaboration Program! Once students are qualified and partnered by their teacher, they'll get an extra 30 minutes of independent study with a partner. Duets, teamwork, and lots of fun ahead!

When the students are qualified, you will receive an email from My Music Staff to create a Username and Password. Once that is created:

On the left, go to "Calendar" → "Book Now" → Click on the time that you and your partner agreed on → "Book Now"

Please Note: Each pair can schedule only one session per week

Studio Class Spotlight

Our Studio Class is designed to inspire students by letting them hear each other perform. As you know, the last week of every month is dedicated to this special class where students share their songs on the big piano—almost like a mini performance!

After the performances, we end with fun games that review what we've learned throughout the month, including Music History and Have a Listen. During lessons, we study important eras of music and songs from those times, which can also be found on our "Have a Listen" section of the website.

Here's how to find it:

1. Go to alisaspianostudio.com
2. Go to Studio Class
3. Go to Music History for the history
4. Go to Have a Listen for the songs
5. Click on appropriate month that we are in

Certificate of Merit

Our Certificate of Merit test is coming up! It's a special chance for students to show off their progress and earn recognition for their hard work. Students must be qualified by their teacher to participate—keep practicing, you've got this!
